(Please Note: The \$100.00 registration fee is not included in the cost of tuition.)

Canton Community Nursery School offers several flexible payment plan options. In mid-March each officially registered family will receive detailed information regarding tuition payment plans. It is important to note that all tuition is non-refundable regardless of unforeseen circumstances. If you choose to withdrawn early from the program your tuition is still expected to be paid. A space has been reserved for your child; the schools budget is dependent on each tuition being honored. Please note if we are able to fill your space with another family we will consider issuing a partial refund based on the number of session remaining in the school year. We require the following to be completed and signed to confirm you understand and accept our No-Refund Policy.

I, _____, understand all tuition payments

(Print name here)

made to Canton Community Nursery School are non-refundable. Furthermore, the school does not provide partial refunds should a child be withdrawn before the official end of the school year.
